Keeping our locals in the loop!

Christmas at the Fox Country Inn

The Christmas season is upon us, and here at the Fox we have a range of festive menu's available! We are also offering luxury packages suitable to any friends or family you may have visiting over the Christmas period. Please visit www.foxcountryinn.co.uk for more details!

Weddings

The Fox will be closed to the general public on 10th December as a wedding will be taking place. A marquee will be set up around this time for the wedding; however we at the Fox will do our utmost to ensure noise levels are appropriate and you, our neighbours are not affected.

Dear the local residence of Ibstone,

Now that the Fox Country Inn is under new management, we are determined to ensure the happiness of our locals is upheld, and the relationships between ourselves are maintained. Therefore we have taken to creating a short monthly newsletter keeping you informed of the goings on at the Fox! I hope you find this useful and informative.

As a gesture of good we have created a Christmas Day breakfast menu exclusively available to our local residence, including complimentary mulled wine on arrival! To book please call us on 01491 639333.

We welcome your comments, and will strive to listen and respond to these accordingly. We at the Fox hope to see you soon!

Our new menu has arrived!

Here at the Fox we are pleased to announce the arrival of our new, improved and even yummiier menu! Each meal comes with the warmth and comfort everyone looks for on a cold winters evening, followed by the sweet mouthwatering desserts to complete a perfect evening out with family and friends this festive season!

We would love for you to visit us in the near future and let us know what you think!
